

# Acquisition of Sigma Designs Z-Wave Products

Bulletin Issue Date: 4/23/2018

Effective Date: 4/23/2018

## **Description of Change**

Silicon Labs Acquires Sigma Designs Z-Wave Products

## **Reason for Change**

On Apr 18, 2018, Silicon Labs completed the transaction to acquire Sigma Designs Z-Wave. The integration of Z-Wave products into Silicon Labs will result in a few relatively minor changes as described below:

1. Existing customer purchase orders shipped beginning on April 23, 2018 will be fulfilled and shipped by the same manufacturer, with additional ship-from locations, but done so through the Silicon Labs ERP system.

Addition ship-from locations:

Silicon Laboratories International Pte. Ltd. 18 Tai Seng Street #05-01, 18 Tai Seng, Singapore 539775

Advanced Semiconductor Engineering ChungLi (ASECL) No. 550, Section 1, Zhonghua Road, Zhongli District, Taoyuan City, Taiwan 320

2. The Z-Wave labels will transition as inventory is depleted to standard Silicon Labs labels.

3. All boxes, reels, trays, and moisture barrier bags will transition to Silicon Labs standard materials as inventory is depleted.

4. The commercial invoice (pro forma) and packing list will change to the Silicon Labs standard format starting April 23, 2018.

Z-Wave ordering part numbers [OPN] will remain the same after the transition.

### **Product Identification**

|         |         |                     |  |

This change is considered a minor change which does not affect form, fit, function, quality, or reliability. The information is being provided as a customer courtesy.

Please contact your local Silicon Labs sales representative with any questions about this notification. A list of Silicon Labs sales representatives may be found at <u>http://www.silabs.com</u>.

#### **Customer Actions Needed:**

If the customer performs an incoming inspection that includes analysis of labels and/or shipping documents, then those inspection instructions should be updated.
