Description of Change

Silicon Labs announces an End of Life (EOL) and Last Time Buy (LTB) for Selected Si700x/Si702x RHT Sensor Devices .

Existing customers may place LTB orders per the key dates above and guidelines listed in this EOL form.

All customer orders with a Customer Requested Delivery Date (CRD) between the Last Time Buy (Order) Date and the EOL Effective Date will be Non-Cancellable and Non-Returnable (NCNR). As of this EOL Date, Silicon Labs will no longer accept customer orders with a CRD beyond the EOL Effective Date.

If you have questions about this EOL, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com.

Reason for Change

EOL is due to supplier discontinuance as well as customer demand does not meet minimum manufacturing requirement. Datasheet versions 1.3 for Si7006, Si7020, Si7021, and 1.4 for Si7022, Si7023 are released with updated ordering information tables.

Note: Silicon Labs will accept customer orders that are received prior to the Last Order Date shown above, but does not guarantee that it will be able to fill all or part of any orders due to limited availability, manufacturing issues or other reasons beyond Silicon Labs' reasonable control. Estimated delivery dates beyond normal lead time should not be considered as a firm acceptance or a guarantee of supply at any time.
