

# 2406191539 New Universal Inner and Intermediate Label for IC and SiP Packages

**PCN Issue Date:** Jun 19, 2024

**Effective Date:** Sep 25, 2024

**PCN Type:** Labeling

## Description of Change

Silicon Labs is pleased to announce a new Universal inner and intermediate label for all IC and SiP packages. The new label will replace the current labels on reel, tray, tube, moisture barrier bag and inner box. There is no change to the label size (4 x 2.5 in). This change does not affect outer box and other logistic label.

The new Universal label will remove Trans ID, Cust Prod ID and Vendor code. These details will be removed from the 2D barcode as well.

Orders printed with seal date before PCN effective date will not be reprinted to new format. Shipments after PCN effective date may include two types of HU labels until existing label inventory depletes.

## Reason for Change

Standardize label format

## Impact on Form, Fit, Function, Quality, Reliability

No impact on Form, Fit, Function, Quality, Reliability

## Product Identification

This change impacts all Silicon Labs IC and SIP products.

**Last Date of Unchanged Product:** Sep 25, 2024

## Qualification Samples

N/A

## Customer Response

Lack of acknowledgment of the PCN within 30 days constitutes acceptance of the change, Ref. JEDEC-J-STD-046.

To request further data or inquire about this notification, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at <http://www.silabs.com>.

Customers may approve early PCN acceptance by emailing approval, along with PCN # to [PCN@silabs.com](mailto:PCN@silabs.com)
